The start of the school day is 8.45am until 3.15pm. Afterschool clubs end at 4.15pm. These procedures ensure that a systematic approach to find the child is taken and consideration is given to levels of risk to the child.

- If the child is not found the parent/carer is contacted (if applicable) and the missing child is reported to the police.
- If it has taken place at the at the end of the day sensitive phone calls should be made to friends of the child to make sure that the child has not gone home with them.
- If the child lives within walking distance then an adult should make the journey by foot in order to catch up with the child if possible.
- If deemed possible an adult should drive around the neighbouring vicinity to look out for the child.
- Line Management responsible in school will not leave premises until they are certain that the safety of child is secured or in the hands of the police.
- Information re the police log incident number should be recorded.

- To assist Line Management, the Office will be manned until 4.30pm on Mondays and Tuesdays.
- Registers are completed for each club and brought to the Office as promptly as possible.

During teaching time

- Messages for children are frequently taken by Office staff regarding change of plans for afterschool. These are recorded in the Log Book.
