

Our Mission Statement is '**Lighting Up Learning**'

The governors and staff of Ilfracombe Church of England Junior School are committed to providing an excellent education within an inclusive Christian school.

Our school's core values, agreed by our school community, are:

Respect

Responsibility

Kindness

Forgiveness

Perseverance

As members of our Christian Community we want every pupil to feel valued, knowing that their contribution to school life is unique. We want every child to be challenged and nurtured to aspire to be the best that they can be as a responsible member of the local and global community.

We are a school which develops each child's self-confidence and resilience by providing a variety of educational, creative and social opportunities and experiences which promote their passion for learning.

We want every one of our pupils to become responsible, independent and self-motivated. At the heart of the commitment is the belief that every person in our school is known and valued by God.

And key to our success is the contribution of the staff, parents, governors and the community in supporting each child's journey.
